「超人」的風采 袁海星校監

Address: 34, Yuet Wah Street, Kwun Tong, Kowloon E-mail: ccckfp@yahoo.com.hk Website: http://www.kfp.edu.hk

Tel: 23418088 Fax: 23424326

(一) 引言

很多孩子有一些口頭用語來表達 對事物的讚嘆,例如「超好玩」、 「超勁」、「超抵食」、「超有料」 …… 等等。不久之前在電視或電影 中亦出現過「超人」的角色。

我們不知道「超人」的觀念是從 何而來,但從文獻中我們認識尼采的 「超人哲學」。這哲學無限誇大人類個體

之 間在智力、體力和能力方面的差異,認為在物 競天擇、優勝劣汰的進化過程中,最後的結果必然形成兩類人,一 類是「超人」,一類是「庸人」。尼采宣佈「上帝已死」,在現代 虛無主義的危機中他認為人可以靠著自己的生命力量來提昇自己去 追求權力、力量意志,把生命力表現出來,然後準備犧牲無數的 人,使自己成為「超人」。聽說希特拉也是按著這「超人」哲學企 圖建立他的王國。

究竟真「超人」是何許人也?他是否好影片中的超有能力而他 又有什麼特質呢?感謝上帝,宣佈「上帝已死」的尼采死了,希特 拉也死了。謬誤的「超人」哲學也沒有了,而永遠長存人類歷史的 真「超人」,就是為人的罪捨身救贖的耶穌基督。

(二)人類歷史的真「超人」

耶穌除了有能力行神蹟、醫病趕鬼外,祂更有超然的人性,我 們可以從耶穌身上看到一些有關「超人」的端倪。

超議卑

他教導門徒要謙卑,彼此服侍。他謙卑地為門徒洗腳就是為門 徒作榜樣。「吃晚飯的時候……耶穌……就起身離席,脫去外衣, 拿一條手巾束腰。然後他倒了一盆水,洗門徒的腳,並且用束腰的 手巾擦乾。」(約翰福音13:2-17)

超有量度

耶穌也吩咐門徒要學習饒恕別人,正如父饒恕我們一樣。 「那時彼得進前來,對耶穌說:主啊,我弟兄得罪我,我當饒恕 他幾次呢?到七次可以嗎?耶穌說:我對你說,不是到七次,乃 是到七十個七次(即無限次)。」(馬太福音 18:21-22)

超有大將風範

他給門徒一個命令,就是要愛人如己,他所指真正的愛是連那些不可愛的人,甚至是仇敵也要愛。「只是我告訴你們這聽道的人,你們的仇敵,要愛他!恨你們的,要待他好!咒詛你們的,要為他祝福!凌辱你們的,要為他禱告!有人打你 這邊的臉,連那邊的臉也由他打。」(路加福音 6:27-32)

超然的愛

耶稣強調門徒要用品格去感染人,藉著屬靈生命的榜樣去影響旁人,進而發揮他們的生命力與管治的力量。並且超人要盡力而為,常備一顆柔軟的心,用愛心去待人;也要要常感恩的心, 在心態上願意更新變化,去察驗生命的轉化。 只有擁抱永恆的 價值,不單看世上剎時的成就,無私的付出,謙卑地服事人。

(三) 我們身邊的「超人」

原來「愛」才是「超人」背後的真正原動力。其實我們身邊 也有很多「超人」,不過我們忽略罷了,他們每天為我們無私地 付出精神、時間、確實勞苦功高。還有的是,縱使我們多少的悖 逆,他們還是不離不棄,沒有因他們的付出落空而失望,也不會 因我們不珍惜而氣餒或放棄。這些身邊的「超人」,正是我們家 中的爸爸媽媽和學校的老師了。可惜我們沒有好好尊重他們、珍 惜這些為我們犧牲的「超人」。

又或者你也可以成為「超人」,只要你本着耶穌的愛,以謙 卑的態度與人相處,克服自我的弱點,展現生命意義,在現實世 界中你也可以成為真正的「超人」。

2013年7

基法小學與本會-【路德會真道堂青年中心】除了合辦「升呢學堂」功課輔導計劃外,這學年還合辦「領袖義工訓練」。領袖義工訓 練的目的,乃讓學生認識自己、發展潛能、活出豐盛的生命。訓練過程中透過角色扮演,提昇小孩子的自信心,促進表達和溝通能力。從 反思中,訓練學生的批判思維能力,並藉着團隊訓練活動,培養同學的責任感、同理心、團隊合作精神及樂於服務的態度,並為受訓學 生安排實踐的機會,以增加學生的成就感及領導能力。讓每一位學生發亮發光,關愛別人。鼓勵學生以「服務精神、關愛社群」為己任, 養成良好的品德和正確的價值觀,在社會造福人群,成為好公民,好領袖,綻放生命光彩。 現將訓練和實踐過程,略述如下:

計畫內容分為兩部分:第一部分是團隊訓練,目的是發揮小組的領導能力,增強隊員間的溝通默契、團隊合作精神,營造關愛文化, 從而達到完成任務的目的。第二部分是實踐活動,由三組同學參與。第一組及第二組受訓同學分別是圖書館管理員及交通安全隊隊員,實 踐服務是探訪老人院,訓練的目的是讓參加者了解長者的特性,從中學習與長者相處的態度與技巧。第三組受訓同學是風紀及愛心小老師,實踐服務是參觀幼稚園,訓練的目的是讓義工同學明白與幼童溝通時,要以包容及愛心照顧他們。

訓練內容包括:講解義工訓練的目的及流程、認識服務對象、介紹服務對象的特性,透過分組討論、匯報、角色扮演、個案分析,讓 領袖義工更了解服務對象。義工同學還親手製作小禮物,送給長者和幼稚園小朋友,又為他們表演,讓參與訓練的領袖義工發揮創意、愛 心及合作精神。當領袖義工完成訓練和實踐過程後,導師與領袖義工同學檢討是次服務的意義及分享感受。這次領袖義工訓練看似畫上句 號,但其實是同學們服務社群正展開新一頁呢!

黃侶詩校長 石頭中的獅子・從自主學習到自主思考

從前有一個雕匠。他辛勤地用鎚和鑿,在一塊巨大的大理石上雕琢。一名小孩目不 轉睛地注視着,他只看見大塊小塊的石塊四處跌落,他完全不明白這是甚麼一回事。數 周後,這小孩子再回到這地方,他大吃一驚,看到在大理石原先的位置上,蹲伏着一隻 高大威猛的獅子。那小孩興高采烈地跑到雕匠前,對他說:「先生,請告訴我,你怎麼 會曉得·在大理石裡面有一頭獅子的呢?」《羅馬城的小丑戲·盧雲著》

在這個小故事中,那塊大理石所富有的意義,那個男孩無法了解,儘管他所見的與 雕匠所見的是同一塊石頭。可是當雕匠一斧一鑿地,將那獅子雕鑿出來時,小男孩才知 道雕匠所擁有的,並非他們眼睛所共同看見的巨石,而是隱藏於內心的藝術結晶,這是 多年培訓下來的成果。

面對鋪天蓋地的資訊泛濫,令人身不由己的全天候網絡,我們如何不被外在環境支 配,影響內在的情緒,成為一個聰明人,對事物的分析能條理分明,知所先後呢?

牛命里子 健康孩子

本年度基法小學以「生命果子 健康孩子」為主題,通過學與教範疇,再貫穿€品 德及宗教教育,讓孩子透過掌握不同自學策略,進而提升生命質素。在學習層面,我們 於中英數常各科建立預習及寫自學筆記的習慣。預習的好處,讓孩子在課堂前已探究 「已知」、「未知」與「想知」,帶着「問題」進入課室,自能提高學習動機和興趣, 更容易投入學習。

自從教授學生重點紀錄、撮寫、腦圖記錄等方式,再加入自學筆記的元素,學生由 一至六年級之中英數課堂內,皆能運用所學技巧寫好自學筆記,而這本「寶典」成為日 常溫習,寫文章參考的好工具。

在課程規劃中,學校透過跨學科專題研習,讓學生在九個屬靈果子的品德元素中, 結合生活化課題,透過探究、訪談、分析、匯報,更充份利用資訊科技,結合電腦教 學,如何掌握資訊、分類、分析、統計,再進行反思。當然閱讀環節決不可少,圖書組 為各學科主題單元加入延伸閱讀教材,設計聯課分享活動,令同學從閱讀中更能體會品 德情操,還記得在423世界閱讀日的活動中,老師安排台上幾位高年級學生扮演歷代哲學 家、科學家、歷史學家等角色,進行超時空對談,我們都驚訝於學生那份自學求知的精 神,充份在踴躍的對談中展露無遺。

生活感知與自主思考

當電視不停播放碼頭工人的辛酸和抗爭,爸爸說有一份感動,明天要到碼頭捐錢支 持工人,兒子默默拿出五十元,把一周的零用錢交托父親一同捐出。

當居住的村民因政府偏幫地產財團,要把鄉村的停車場封鎖收回供高尚屋苑居民使 用,一位同學在網誌寫下一道說話:

「這公平嗎?為了讓私人屋苑做行人路,私下收回原居民的泊車處。我覺得他們很 自私,我實在不能容忍這種行為發生。我自小就在這村生活,所以我會為村民爭取到 底。」

同學們在爆炸性的知識網絡中如何分辨真理,明白事非,謙卑受教,又能摒除私心 自我,做個有正義感的良好公民?對社會對生活有感知,甚至會回應呢?當我們懂得如 何自主學習,更重要是要懂得自主思考。

能自主思考, 业懂得問問題, 猶太人有一句 諺語:「好的問題會引出好的答案。」在猶太人 小孩小學一年級起,老師就會開始訓練孩子的 思考。一般小學生的注意力沒有辦法長時間集 中,所以,老師大概上二十到二十五分鐘課就 會暫停然後問學生:「各位小朋友,有沒有問 題?」

第一位提出問題的小朋友,不管他問得好不好,都會 得到老師的獎勵。老師並不會馬上回答他的問題,而是會轉問其 他小朋友:「這個問題的答案有誰知道?」

隨後,第二位同學提出他的看法,不管他的答案對還是不對,老師都會讚譽有加, 予以肯定。接下來再問:「有沒有誰的答案與他不同?」

之後,第三位同學提出解答,同樣會得到老師的讚賞。老師會再問:「有誰的答案 跟他們兩個不一樣?」隨後第四位、第五位、第六位同學分別提出不同的看法。所有同 學都絞盡腦汁在思考,希望能夠提出更多不同的觀點。

最後,老師才將正確的答案告知,答對的同學起立,接受大家的掌聲鼓勵,並請他 說明他如此回答的理由。就這樣,在一問與一答問,每一位孩子都作了深度的思考。

在一次課堂中,老師問學生:「如果現在房子失火了,你只能帶走一樣東西,你會 帶甚麼東西跑出去?」學生答案五花八門:玩具、電腦、錢……然後老師溫和地引導: 「有一種無形、無色、無味,很珍貴的寶貝,是甚麼?你知道嗎?」孩子答不來,老師 才會說:「是智慧,因為智慧任何人都搶不走,只要你活着,智慧永遠都跟着你。」

走向資優·多元教育新境界

未來基法小學將走向資優及多元教育新領域,在我們看來,這不是小眾抽離的培 ,而是讓所有同學都在課室中經歷自主思考,利用高階思維、多元提問層次注入課 程, 植入教學之中。在整套資優教育理念中, 就是引導孩子進入思考:

第一就是「問問題」,透過教師專業培訓,鑽研更多「思考訓練法」,例如:比較 性問題、因果性問題、歸納性問題、兩難性問題、應用性問題等。

第二就是優化「合作學習」。除了「提問」之外,就是重視討論,集眾人之心力, 探討一個主題,聆聽別人見解,闡釋自己意見;尊重他人想法,精要表達自己看法,達 至互動學習元素。

經常提問,時常討論,孩子的自主思考能力自然就培養起來。

參考書目:1.《羅馬城的小丑戲·盧雲著》

詩人說:「耶和華的律法全備,能甦醒人心,耶和華的法度確定,能使愚人有智 慧。耶和華的訓詞正直,能快活人心,耶和華的命令清潔,能明亮人的眼目。」(詩十 九7 - 8)

活在這昏亂的社會,但願孩子也擁有從上帝而來的「才智」,懂得明辨是非,認識 真理,提升生命質素。

為配合學校本年度主題「生命果子健康孩子」,本校特意為同學安排不同的全方位學習活動,為同學提供多元的學習經歷,創設有意義的學習情景,將知識融入生活,靈活運用。期望培養同學良好的品格,成為身、心、靈健康的孩子,為日後服務他人,貢獻社會作好準備。

Miss Faith shared a funny storybook in Morning Assembly

tudents enjoy the booth game in English Week

We need to write neatly

Faith showed the fruit let's buy a bottle of in the supermarket

tour

Children. orange juice. Yes, Mr. Hui

Kids tried to paythe price themselves

p1p2 supermarker

Children, pineapple is big!. said Miss Lo.

'I can get a cup of ice cream from Miss Faith after I play the game!' 2 in Penmanship Competition!

It has been an exciting and fun year at Kei Faat Primary School. I have really enjoyed myself working with the teachers and students. The students have all been very eager to learn English. I am very encouraged by their enthusiasm. I will briefly write the highlights for each level for the year.

I went to the supermarket with the P.1 and P.2 students. It was very exciting that the P.1 students really spoke English in the supermarket. The P2 had a picnic in the English room the week after they went to the supermarket. When they were eating, they spoke in English to each other. A few of the P.3 students were very brave in speaking in English when they were interviewed by my Advisory Teacher from the NET section in EDB. The P.4 students had a chance to watch

me make fruit salad and then they had the fruit salad. Some of the P.4 students also made sausage snack in the class. With the P.5 and P.6 students, I had an enjoyable time teaching them philosophy. They were able to discuss in English and thereafter express their ideas to me. I'm sure they have learnt a lot.

It has been a great year. Kei Faat students, thanks for making me feel welcome here! Here's to more great years ahead! uage Environmen

Every classroom have a sequences of daysof the week and months of the year

There are some rules in playground to remind students not to run

Every classroom have Decoration around the school English corner unch radio

There are some posters in the classroom to remind students classroom routines

My monster

Bies is a monster. It has three small eyes. It can read. It has a big mouth. It can eat. It has big ears. It can listen to music. It has short arms. It can't write. It has long legs. It can skip. It is cute. It is funny

3A Yau Hing Shing, Martin

At the beach

Mum, Dad, my brother, my sister and I go to the beach on Sunday morning. We go to the beach because it is sunny and hot. We go there by bus. My baby brother is building sandcastles with me and my sister is swimming in the sea.

My mum is sunbathing. She likes sunbathing, but she doesn't like finding crabs because the crab will chase and catch her. She puts on some sun cream on her body. She wears a red dress and sunglasses. She is happy.

My mum and dad like walking on the beach. They want to go to the tuck shop to buy something. 'What do they want to eat?' asks Mum. 'They like to eat ice-cream,' says Dad. They buy some ice-cream. Then, we eat the ice-cream together.

We watch the sunset. Dad asks Mum, 'Do you like watching the sunset?' Mum says, 'Yes, the sunset is beautiful.' At the end, we play happily. At seven o'clock, we are tired, so we take a shower and go home. We go home by bus. Mum cooks the dinner. We have sweet and sour pork, chicken in lemon sauce and beef with chilies and garlic. They are tasty and delicious. We eat happily. I like swimming in the sea. I want to go there again.

46 Ding Ying Ying

My favourite festivals There are many festivals in Hong Kong like Lunar New Year, the Dragon Boat Festival and the Mid-autumn Festival. There are also the western

festivals like Easter and Christmas. I like Chinese New Year the most because there is a long holiday to enjoy. We can also get lucky money from relatives. We may have good

Our family usually goes for a trip in China during Lunar New Year. We will go there by train. We will visit our grandparents there. We will play with firecrackers with our old friends, too.

5A Pung Kam Wing, Kelvin

Games and toys in Hong Kong

In the past, children did not have much money, so they used to make their own toys. They used their own toys to play with their friends happily. Nowadays, they have many toys at home

What toys did children play in the past? They played with paper dolls. They made paper clothes for them. The paper dolls were beautiful. They also used to play games. They used to play guessing games. They played this game after dinner. Someone asked some questions. The children needed to answer the questions. They always played this game with their families. They were happy. Moreover, they used to play beanbags. They threw them in the air and caught them. They played this game with their friends in the recess.

Nowadays, children play with radio-controlled ships on the pond. They use a remote control to control the radio-controlled ship to go. They are delighted because they can play with their friends. They also play some other games, too. They play online games after school. Sometimes, they play games in the bedroom. They use the computer to play. It is exciting. They also play hopscotch after they finished their revision. They throw a stone into a square, hop and jump along the empty squares to pick up the stone.

Now, children mainly play computer games, and they have many toys at home. They waste their parent's money. I think they should give away some toys to poor children because the poor children do not have enough money to buy toys

Helping at home My family and I help at home. We can keep our

In the morning, I make the bed in the bedroom home clean! at six o'clock. My father mops the floor in the sitting

room at nine o'clock. In the afternoon, my mother waters the plants in the dining room at one o'clock. My father folds

the clothes in the bedroom at four o'clock.

In the evening, my mother washes the dishes in the kitchen at seven o'clock.

After doing the housework, we feel tired but we are happy. We have a clean home.

3B Ng Hiu Lee, Mandy

A Day in the Park

It was a sunny day. The weather was great. Mary and her grandma went to a park. It is near Mary's home. They went to the park on foot. They were delighted. Mary was excited because she likes playing on the swings.

Mary was playing on the swing happily. The swing went up and down. Mary liked a bird flying in the sky. She played alone. Mary's grandma talked with her friend, Angi. They were talking about what they were going to cook for dinner.

After Grandma talking with her friend, Grandma was worried and scared because Mary was lost. She walked around the park to look for Mary. She could not find Mary. So she asked the park keeper for help. The park keeper said, 'I saw a girl playing on the slide. Is she Mary?

Therefore, Mary's grandma shouted loudly, 'Mary! Where are you?' She shouted and went to the slide. Mary saw grandma was finding her. She ran fast to her grandma and said, 'Sorry! Grandma. Can you forgive me?' Grandma said,

In the end, they were happy.

6A Cheung Fung Ching, Michael

A Letter to Aunt Mary

Dear Aunt Mary,

How are you? I'm fine. I would like to tell you what my dream job is. What do I want to be when I grow up? I want to be a good teacher.

If I could be a teacher when I grow up, I would teach children different subjects such as Chinese, Mathematics and especially English. It is because I think most of the Hong Kong children are weak in English. Therefore, I want to teach them because I think my English is quite good!

Also, I would teach my students how to behave well. They need to be kind, smart and helpful so that their schoolmates, classmates and teachers will love them.

The last thing that I want to teach my children is how to become a boy or a girl that all the people love him or her. They need to be friendly, polite and They also need to be helpful enough. hard-working to finish all the homework from school. However, it does not mean that they can do bad things when they are at other places and not at school. They still need to behave well at other places. If they follow my order, maybe they can become adorable.

How about you, Aunt Mary? What was your dream job when you were young? Please write back to me and tell me.

Best wishes for you!

Love, Michael Cheung day.

2B Lam Yan Wing, Irene

Irene's Day

I am Irene. I am a student. I am busy every day. In the morning, I get up at six twenty. First, I

brush my teeth in the bathroom at six twenty-five. Then, I have breakfast at half past six. I like to eat a packet of bread and drink a cup of milk for breakfast. I come to school at seven fifteen.

In the afternoon, I have lunch at school at twelve o five. I like to eat a box of rice and drink a chicken for lunch. I go home on foot at three

In the evening, I take a shower at four fifteen. Then, I have dinner at six o'clock. After dinner, I like to watch TV at seven o'clock. I go to bed at nine o'clock at night. Then, I have a nice dream.

4B Ho Po Lam, Jessica

A picnic with my classmates

On 22nd February, 2013, I went to Pak Tam Hi Shirley,

Chung Holiday Camp.

First, I went to Pak Tam Chung holiday camp by school bus with my classmates and teachers. Then, we played collective games. We played the games happily. Next, we divided ourselves into groups to play other games. My crews are Nicky, Rio, Ian and Matthew. Then, we played American Kio, ian and iniatinew. Then, we played American pool, but I though it was boring. After that, we played badminton with Mr. Tse and did archery and jumped on trampoline. I was excited.

At Lunch time, we ate sandwiches and bread. The food was delicious. We drank water and milk,

After lunch, we played basketball and too

hide-and-seek. I was very tired!

I enjoyed this day very much! Your best friend, Jessica Ho

6B Wong Po Chi, Kitty

Our School Mini Olympic Games

Today was our school mini Olympic Games. The weather was sunny and hot. Although we did not have different events, all of us enjoyed the mini Olympic Games very much. Two track events and two field events were held this year. The track events included hurdling and running race. The field events included beanbag throwing and high

We have different superstars in our class. The person who won the hurdling event was Kim Lin. He is a tall and thin boy. Therefore, he is very suitable for doing hurdling. He has done this event since he was in Primary 4. He loves hurdling. His idol is Liu Zhung. The person who won the beanbag throwing event was Yan Au. She has done this event since Primary 1. Besides, she loves dancing and she has won many champions in different piano competitions. The person who won the running race event was Kenny Ho. He can run very fast like the wind. No one can run faster than him. He has done this event since 2009. The person who won the high jump event was Irene Tam. She has done this event since 2011.

The champion of our school Mini Olympic Games was Class 6B. Everyone in Class 6B was

ong Ka Yan, Annie

Annie's Day

I am Annie. I am a student. I am busy every

In the morning, I get up at six o'clock. I brush my teeth and wash my face at six o'clock. Then, I have breakfast at half past six. I like to eat macaroni for breakfast. I come to school at seven fifteen by train.

In the afternoon, I have lunch at twelve o'clock. I like to eat a box of fired noodles and drink a bottle of water for lunch. I go home at four o'clock by train.

In the evening, I do my homework at six o'clock. Then, I have dinner at half past six. After dinner, I take a shower at seven o'clock. I go to bed at half past eight at night.

本校辦學之宗旨一向重視學生在各方面之均衡發展,除了日常 課堂外,亦鼓勵學生參加一些有益身心之課外活動。為鼓勵 貴子弟 發展多方面興趣,以「一生一體藝」為目標培養學生於學術、音 樂、藝術及運動方面之發展。藉著不同的訓練提升學生自信心、反 省能力、對學校的歸屬感、光榮感,擁有自制力及學習與別人合作 和溝通,使學生對學習重拾自信和動機,並將再次投入學習之中, 進而提升學習效能。

而本校「多元智能課」。其多元智能的理念,來自美國哈佛大 學教授Gardner於1983提出「多元智能理論」,他認為:人類智能必 需要有一套解決問題的技巧,使個人得以解決所遭遇的問題或困 難,同時在適當時機創造有效的成果;而且人類智能必須包括尋找 或創造問題的潛能,才能為獲得新知識奠下基礎,換句話說,智能 是種解決問題的能力,更是一種潛能,這種潛能需要被激發,同時 也會受到社會文化以及自己、家庭、教師和他人影響。由此可見, 教師對學生智能發展扮演著重要的角色之一。所以,本校以富有教 育性、有趣的課外活動課程提供初小及未有特定組別的學生參與, 並以「循環組」的方式進行,因為行相連循環制,每個學生也有機 會參與每組最少兩次,使學生能在活動課中,將他們的多元智能的 潛能被激發,而老師也可因應學生年級及程度調整課程內容。

除了課堂內的學習活動,亦設有中、普攤位遊戲,讓同學寓學習於遊戲。最後於週會時段,讓各級同學向全校匯報,再配合富文化特式的古箏及中國舞表演,展現學生多元化的學習成果。

本年度「幼小銜接課程」已於五月份的四個星期六進行,約60名幼稚園生 在「動物樂園」的主題下,分別在英語、數學、視藝和科學四大範疇中,渡過 了四次愉快充實的學習體驗,最後一次更在畢業禮中,藉著表演展示他們的學 習成果!更特別的是今年其中一部分的參加者是來年度的準小一生,是次課程 向他們提供了將來於本校就讀的快樂經驗!故此,本年「幼小銜接課程」充滿 了樂趣和意義!
